Hurley W. Stemphill II

Hurley,
I'm really glad we've became friends. Can you believe it we'll be SENIORS next year. You're a wild and crazy guy. Stay Sweet and out of trouble. I wish you all the luck the world has to bring.
"83" Love Ya!
R/S Ann

Hurley,
I haven't known you long, but you are a nice, respectable young man. I wished you and Natalie could have lasted longer but that's the breaks. I hope you do something good with your life if you will take advice, finish school, go to college and stay off the brew + stuff. You're intelligent enough to do what you want.
Love ya,
Beverly Sneatt

Hurley!
well it was been a O.K. year but one I'd things good about + was I got to know you. your a really nice guy. and maybe next year we will have another class together!
Love ya

Hurley,
I'm really glad
that we have been
able to become friends.
You are one slick dude.
And you'll go far in life.
Get you a good lady & a home on to
her. Good luck in everything you do.

Love,
Nola J.

Hurley!
You are a very
handsome guy in
your own way.
It's been fun having
you in our Spanish
class. Stay sweet
as you are.
Have a nice
Summer!

Hurley,
I haven't known you very
long, but for the short time
I have known you you
have been a very nice
and sweet person. Always
stay the same way.
Good Luck!

Love,

HURLEY,
I'VE KNOWN YOU FOR 2 YRS. AND ITS
BEEN GREAT. YOUR
YEAR IS APPROACHING
AND I KNOW THAT
YOU'LL ENJOY IT
BEST OF LUCK ALWAYS.

"83" Love
Kelly McInnis

Hurley,

I have known you very long but I can say it has been more than a pleasure getting to know you. Hurley at least all of us will have another year with you and I can say it will be a year to remember. Hurley I'm going to tell you as a good friend if you ever need a shoulder to ~~cry~~ lean on or a friend to talk to you know where to come to. Hurley take care of yourself and have a nice summer.

Your friend always

Lois McLean

Well Hurley another year for signing your books has come and gone. After all the bad times we have had I am kind of glad to say the good times were great. Weather you believe it or not I'm really starting to miss you. I guess you knew that hu? Its starting to get so I hardly get to see you anymore. I hope you dont hide as much that it gets to the point I never see you at all. Keep in touch Somehow, Stay sweet, Stay you, (theres room for improvement) and Take Care.

Good Luck forever.

Love always

Natalie

1982 and the CHANGES OF WONDER come forth-

. . .so comes the end of another year. But not just another end, this is the climax for those of us who wear 1982 on our shirt. For twelve years we've laughed, fought, failed, and spirited each other. And now it's all ending. Even so, we the class of 1982 are going out with certain distinctions. This is the first time in Brown history that four classes have attended the same Mecca of Education. It's been more crowded than the past with more short people and more fun than ever before. On the competitive side of life in high school we moved to AAA classification, however, it showed no less success for Wonder sports.

. . .and, aah, those enlighteners of the bewildered, guiders of the misled, and all around good guys — our beloved faculty and administration. Thanks. Thanks for those long hours of dedication on Wednesday afternoons, for those brain-racking tests and most of all, thanks for guiding our destiny through the best years of our life.

. . .and the social events. The magic nights and long days of anticipation toward the time when you could be with your special person. Those indispensible friends and cohorts will never be forgotton. Trig parties, term paper blues, and, of course, the center of life, Albrokan. Thus assembled fourteen of the most valuable folks who gave it their all and took all of it on with unconquerable determination and succeeded! What they created was the most memorable memory book in a long time. The "staff of '82" shall go forever unequalled in class.

. . .in closing there is one important item of business — you. You are our reason for existing, for creating this book, and for being a part of the good life here at A.L. Brown. To those of you who will still be here next year, don't quit — the farther you go the better it gets. To those of you who will be gone next year, congratulations on completing the toughest, most enjoyable journey of your life. Thanks for that guiding light Ms. Nodine and Ms. Solomon — we love you always.

Look us up, we're in the book —

To the class of '82,

This year I was fortunate enough to be elected your class president. I am grateful to you for giving me the opportunity to be your voice in the student government here at Brown. To the other Senior Class officers, (Scott B. Crowell, Scott Haynie, and Dori Boswell), it has been a pleasure working with you, and I thank you for all the help you've given me. We have had many great moments together and have gone through many changes. This year, we, the class of '82, had the responsibility that no other class at Brown has ever had — the responsibility of being examples for not two, but three classes. I can honestly say that you handled the transition quite well. You not only made this the best for the Class of '82, you made it the best for A.L. Brown. It's been "real", it's been "fun", but most of all, it's been "real fun"!

Thanks Al,

Juniors Enjoy — 1982!

The Junior year is exciting, challenging, and presents many opportunities. Everyone looks forward to getting their class rings — a symbol of that person's individuality. The Prom is always exciting and a rewarding experience. It is a chance for sharing, discovering, and caring. Juniors, also experience an educational trip to Washington, D.C. to tour the nation's Capitol. They view historic sights, learn about their government and see democracy in action. This trip helps students to appreciate their freedom. Juniors are presented the test everyone talks about — the SAT. But, before tackling the SAT, they are challenged with the PSAT. These opportunities, along with clubs, organizations, and sports makes the Junior year one of the most interesting years in high school.

"I am delighted to have been able to serve the Junior class. I quickly realized that of those to whom much is given, much is required and everything didn't run smoothly, but it takes both rain and sunshine to make a rainbow. I was fortunate to be able to work with officers that were responsible and dependable. They are great people and deserve a lot of credit.

The Class of 1983 is a great class. We are determined and hardworking, but most important, we stick together and help each other. We have the ability to succeed. "Success is failure turned inside out, the silver tent of clouds of doubt. And you never can tell how close you are, it may be near what seems afar; so stick to the fight when you're hardest hit, when things seem worst that you mustn't quit." Class of '83 — nobody does it better!

Sincerely,
Kevin Truesdel

Morning

As the morning stands and stretches and gently shakes off the deep of the night,
The shimmering rays of the sleepy sun begin to warm the outstretched arms of the waking oaks.
The stillness is chased quickly away by the stirring of new life and the sweet song of the bird.
And morning glances back once more to raise a good-bye hand to the fading shades of night.

Two young ladies share some gossip.

President — Kelly Hartsell

This school year was started off a little different because of the addition of the ninth graders. We are very thrilled to have them here this year. We hope that at the end of the year they can say that they enjoyed being here. They thought they might have been pushed around a bit but they were not, it just takes a little time to get used to new adjustments. The freshman class is now the youngest class that Brown will have but still youngest or not they are still a part of Brown and will always be as long as they continue to be over at Brown.

Gloria Cambell

Vice President — Melanie Privette

Secretary — Julie Teague

"As ninth grade president, I feel that it is a privilege to be part of a fine school such as A.L. Brown. I hope that the ninth grade class will continue to honor the traditions at Brown. I'm sure that I speak for others as well as myself, when I say that I am poud to be part of A.L. Brown High School."

Daryl Lunsford taps out a message.

My philosophy of life is only one sentence: "To Thine Own Self Be True." I feel that this is the only way that real life can be obtained. If you are not true to yourself, you can't be true to others. If you are not true to others, you will not have friends. Without friends you will be a very lonely person."

This was our first year here at Brown. We viewed the school from across the road, longing for the day when we would be a part of Brown's Campus. Little did we know it would be so soon. It's hard being the "youngest child." Everyone looks at you as the cause of all the problems and the one least likely to know anything. All we ask is everyone to show us patience, kindness, and the right way to the third floor.

The purpose of Education is to help every student reach his fullest potential for a creative and useful life lived in dignity and freedom. It is recognized that every student has a potentially important contribution to make to society, and that every student has the right to a quality of Education which will make possible his fullest development and contribution.

The school is concerned with the total development of students. A student must be viewed as a total person and his learning as a whole process. The development of the student's mind does not take place separate from feelings, values, and purposes. His character and personality are forming as he learns to think, to read, to write.

The primary factor relating to the total growth and development of a student is his self-concept. The problem with the non-learner is not that he lacks potential, but rather that he does not view himself as a positive person. Students learn who they are and what they are from the ways in which they are treated by those who surround them in their growing up. To produce a positive self, it is necessary to provide experiences that teach a student he is a positive person. Students learn they are able, not from failure, but from success. The positive self-image is learned through a series of successful experiences.

Therefore, the school must accept each student as he is and provide experiences in which he feels successful. Each day every student should leave school with a feeling of self-approval. He will, if his experiences have been satisfying to him. We must keep in mind that teaching has not really happened until the student has met success.

An effective and satisfying educational program for the students of Kannapolis is dependent upon all school personnel. It is imperative that we bring the best that is with us to the teaching-learning process. I trust that each parent, each student, and each teacher has experienced a productive and Personally satisfying school year.

Brown High School has undergone changes this year that are rooted in the events of the past few years. Just as our community has felt the impact created by inflation and soaring energy costs, the schools have felt the pressure of these problems. As our families have had to tighten the belt and reduce waste, so have the school systems. Efficiency and maximum use have become the necessity.

The facilities at Brown are capable of housing the 1400 students that are attending this year, as shown when the enrollments of the early to mid 70's approached these figures. Yet by the late 70's the enrollment had declined to the point that the merger of the 9th Grade was the only solution to achieve maximum use of the existing facilities at Brown.

This change dictated other changes. Alterations were made in scheduling facilities, staff, as well as the rules and regulations in order to better apply to the larger number of students and expanded age ranges.

The daily life of the student body has also seen changes one lunch period, the loss of "7" period, morning homerooms, and more crowded halls.

This has indeed been a year of change. We might not all be pleased by these changes, yet the need for the change is quite necessary. Hopefully this experience will add to the quality of our school and community.

CHANGES I HAVE SEEN AT BROWN HIGH SCHOOL

The biggest change I have seen at Brown has been the student's attitude regarding education. We do not have enough students today who value education and its diploma. It seems more and more students are willing to accept less and less in the way of positive goals and worthwhile achievement.

Some positive changes that have occurred have been in the area of community support, improved curriculum, and better qualified staff members.

Academics

Academics

Academics is an important part of A.L. Brown High School. A wide variety of study areas prepare students for acceptance into universities, for further education at Community Colleges or Technical Institutes, or for entrance into the job market. This year Brown added two Advanced Placement courses, A.P. English III and A.P. English IV, to its curriculum. Courses are designed to meet the needs of each individual student. Whether it be Basic English I or A.P. English IV, General Mathematics I or Adv. Algebra and Trig., Physical Science or Physics, Brown High provides the opportunity for every student to develop his potential.

TMR-EMH

The TMR class at Brown places special emphasis on survival skills and prevocational skills. In the past, monthly swimming at the local Y.M.C.A. has been offered to the students, but his year, the class enjoyed swimming each Friday. In addition to weekly swimming at the Y.M.C.A., the TMR class was exposed to a new physical education program initiated by Coach Vickie Wilhelm. Each Wednesday the students enjoyed activities such as performing trampoline stunts, practicing on the balance beam, tumbling, playing volleyball, and bowling. In a program that stresses survival and prevocational skills, recreation became a fundamental part of learning and an important step toward gaining self-confidence.

Vocational

The vocational education department at Brown High combines textbook study and hands-on training in order to equip students for entering the job market. Students learn new skills in various fields ranging from Automotives to Home Economics. Cooperative education programs including Industrial Cooperative Training (I.C.T.), Marketing and Distributive Education (D.E.), and Cooperative Office Occupations (C.O.O.) are important extensions of the vocational department in which an employer and the school work together in providing on-the-job training for a student.

Drama

Under the direction of Ms. Jane Aiken, the drama class presented its annual play to the area elementary school children. The one-act musical "Eeyore's Christmas Present" provided the opportunity for every student from seven local elementary schools, including those from the Kannapolis Middle School to view a children's musical. Over 3,300 school children were given transportation to matinee performances of "Eeyore's Christmas Present" in Brown High's auditorium. The drama class also presented two public performances of the musical which, this year, attracted the largest public audience ever.

This spring, drama students, with the assistance of extra students who tried out for parts, presented a comedy to English classes in the school. They also opened the play to the public during a night performance.

The drama class attended various plays out of town, including plays at Charlotte theatres and musicals at the Old Courthouse Theatre in Concord. In April, some drama students were able to experience an actual Broadway musical during a trip to New York.

Throughout the year, drama students studied and learned techniques of pantomime, make-up, set design, videotaping, skits, improvisations, theatrical terminology, and other areas of learning, whereby they can recognize, respect, and demand good theatre.

Art

The art department at Brown High provides the opportunity for students to develop their artistic abilities. A typical student studying art at Brown would begin with the Art I course, where he would learn basic principles of art line, color, balance, rythm, and composition. He would be exposed to textile design (latched and hooked rugs, weaving, macrame, etc.), ceramics, and sculpture. He would also gain experience in pencil, ink, pastel, oil, acrylics, charcoal, watercolor, tempra, and other basic areas of art.

If the student wished to continue his art education by taking Art II, he would receive a more in depth course than Art I with more individual choice and instruction. He would explore various media such as oil painting, silk screen, woodcut, portrait composition, and pastels. For those students hoping to pursue art as a career, Art III would offer them more advanced work and specialization in specific areas.

Designing backdrops for school plays and fashion shows, plus often representing our school and town in contests and exhibits are among the many contributions art students make to Brown High. Throughout each school year, art students display their works in the main hall.

The band program at Brown High is recognized primarily by the "Big Green Machine," but there is another side to band, other than performing during half times and marching in parades. Concerts and Symphonic Bands spend six months of the year preparing for annual Christmas and Spring Concerts. In addition, the Symphonic Band puts forth an extra effort to prepare for a district contest held in Charlotte.

This year, the Ninth Grade Band became a part of our instrumental program here at Brown, and our Jazz Band, which gave many performances, including one at Rotary, was very successful.

Brown Beat on top of news

During this school year, the journalism and newspaper production class published six editions of our highly acclaimed newspaper, the Brown Beat. Under the guidance of advisor Judi Hill and editor Michelle Huffstetler, members of the Brown Beat staff continued to serve the school community of A.L. Brown High School in a high quality fashion.

Dedicated Brown Beat staff members covered issues that took place even before the beginning of the school year, such as SPEC and Governor's School. Editions of the Brown Beat even featured students who had spent part of their summer visiting foreign countries, among them, Kelly Deal our AFS student to Norway, and a group of four touring Europe.

Brown Beat covered every aspect of life here at Brown High. It kept us abreast of the scholastic achievements, personal successes, and opinions of both students and faculty. When school finally began, the Brown Beat featured one new student in particular, Basheer Saquallah, our visiting AFS student from Jordan.

It captured the beauty and pageantry of the Miss Brown High competition, the Homecoming festivities, and various talent contests in our community. Brown Beat followed the progress of organizations such as clubs, band, chorus, and drama, while keeping us up-to-date on every

Brown Beat receives awards

Often, the work and accomplishments of the **Brown Beat** staff go unnoticed to us here at Brown. Did you know that the

Judi Hill and Michelle Huffstetler

Brown Beat helped with the publishing and production of the **Montage,** a literary edition of a newspaper at our school? The accomplishments of the **Brown Beat** as a scholastic newspaper, though, are evident in the many awards it has received over the past few years.

Brown Beat staff members are (from left to right) Michele Smith, Gina Jordan, Sylvia Metcalf, Cindy Sohmers, Crystal Hollis, Debbie Moss, and Michelle Huffstetler.

At the North Carolina Scholastic Press Association (NCSPA) competition held in Chapel Hill, the **Brown Beat** was awarded the best overall scholastic newspaper for two consecutive years, in 1980 and 1981. In the news competition, it placed second in 1980 and first in 1981. In 1979 and 1981 **Brown Beat** finished first in sports and in the same area, placed third in 1980. At the same NCSPA competition, the Brown Beat placed third and second in features in 1980 and 1981 respectively, third in editorials during 1981, and received a merit award for photography.

In both regional and national competition, **Brown Beat** continued to fare well. At the Southern Interscholastic Press Convention held in Columbia, South Carolina, including fifteen states, the **Brown Beat** obtained a superior rating. On the national level in New York, it received first place from the Columbia Scholastic Press in 1980.

The **Brown Beat** and its staff have certainly proven themselves again this year.

Homecoming activities for 1981 began on October 20, 1981, with a special assembly to introduce candidates for homecoming Queen to the student body. Afterwards activities for the upcoming week were outlined for the students. Homeroom doors were to be decorated with a display of the Kannapolis 75th Anniversary, to coincide with the color and the pageantry of Friday night.

On Friday, October 23, 1981, due to rain the homecoming pep rally was cancelled, but the visiting alumni attended the Alumni Tea sponsored by the Student Council, which provided a chance for the past graduates to visit classmates and former teachers.

Candidates for Homecoming were Amy Carter, sponsored by Bynum Phillips; Alvena Collins, sponsored by Gene Barnette; Donna Fowler, sponsored by Mike Wilhelm; Angie Stirewalt, sponsored by Keith Shuffler; Ginger Cline, sponsored by Reid Hammonds; Angie McSpadden, sponsored by Marty Ragan; Andrea Martin, sponsored by Graden Yates; Kim Miller, sponsored by Robin Rice; Hope Powell, sponsored by Kevin Lambert; and Felicia Truesdale, sponsored by Randy McDaniel.

Also due to rain the Friday night half-time activities were diminished somewhat, but, included was an array of Corvettes transporting the Homecoming Queen

Miss Lisa Canup was named the student's choice for queen and was crowned by Student Body President, Brian Lambert. Miss Canup and her attendants, Alvena Collins and Angie McSpadden, were driven around the stadium in Corvettes. The evening's climax came as the Brown Wonders defeated Wadesboro 7-0.

The Homecoming Dance was held the following Tuesday, featuring Dance Limited, a local disc jockey of Charlotte.

Concord Week

Concord Week began this year on November 2, when students arrived at their victorious high school. On Monday morning, they were greeted by an array of Green and White streamers draped across the halls; over the Main Entrance to the school hung a sign displaying the most true slogan of — CONQUERED HIGH . . . Then in the Main Hall hung a creature of enormous size and would by the end of the week face cruelty, torture, and death.

On Thursday night at the hour of 7:00 the most dreadful news had arrived from our great school. The Formal Declaration read that our enemy had suffered enough and would now be cremated. The "Spider" was placed on the Casket and the Funeral Procession began. Crowds were tremendous. They had all come to watch this great event in Wonderland. There were chants of death as the officers of the Key Club carried the spider to it's death. Behind them were ladies in mourning, compliments of the Juniorettes and Anchor Club. Ahead were our marvelous Wonder Cheerleaders pulling the pride of A.L. Brown High school, "the Bell." As the Spider reached its destination, it was placed in the inferno by the Wonder Football Tri-Captains. Mark Mullinax, Mike Wilhelm, Robin Rice.

The Big Green Machine

The 1981 edition of the "Big Green Machine" under the direction of Charles M. Driver, and co-drum majors Brian Lambert and Edwin Norris consisted of 241 dedicated students who entertained thousands of spectators at pre-game and intermission with a spectacular halftime show featuring the music: "On Broadway", "Temptation", "Cumana" (drum solo), and the ever popular "Over the Rainbow" in which colorful special effects were used.

The show also spotlighted the solo acts of Scott Moser on trumpet; Walter Friday, Chris Hackett, and Jim Slaughter on trombone; Marie McCarn, Jane Russell, Anne Fink, and Lisa Hampton on F-Horn; and Gordon Harris and Patti Blalock on Xylophone.

Competition included The Daytona Beach Music Festival highlighted by a first place rating by the rifles and sponsors in band front competition, The South Eastern Band Festival in Bristol, Tenn. receiving a first place rating in parade competition and an excellent rating in field competition.

Special appearances include: The Kannapolis 75th Anniversary Parade, The Kannapolis Christmas Parade, Kannapolis Day at the Davidson vs. Catawba football game, and the Flag corps, Rifles corps, and Majorettes attended the Winter Guard competition.

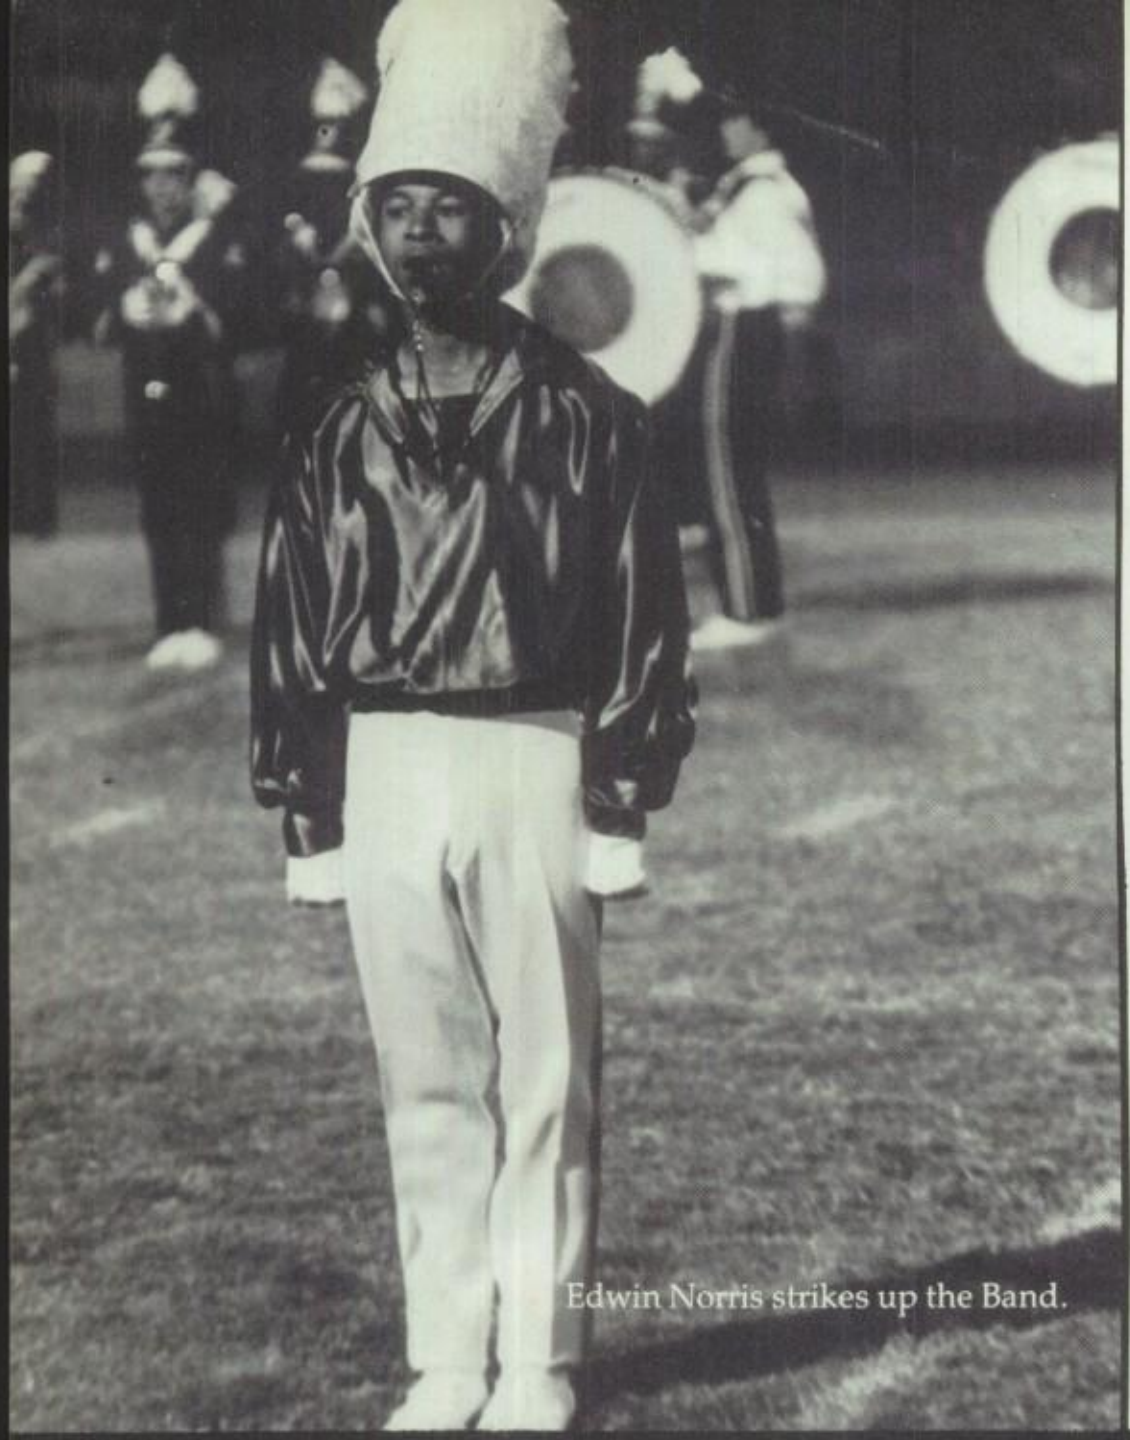
WONDER FOOTBALL

This year opened finding the Wonders slated against the powerhouse team of South Mecklenburg. The Wonders dropped to the Sabres but would bounce back to totally demolishing the Mustangs of East Rowan. This was the first real showing of the Wonders. Behind the blocking of the awesome front line running backs, Greg Bost and Eugene Barnette, put on a very impressive ground game. The only set back was the 12 penalities.

The 3rd grid iron stage was home of Kannapolis Memorial Stadium the Wonders against the Rebels of Monroe.



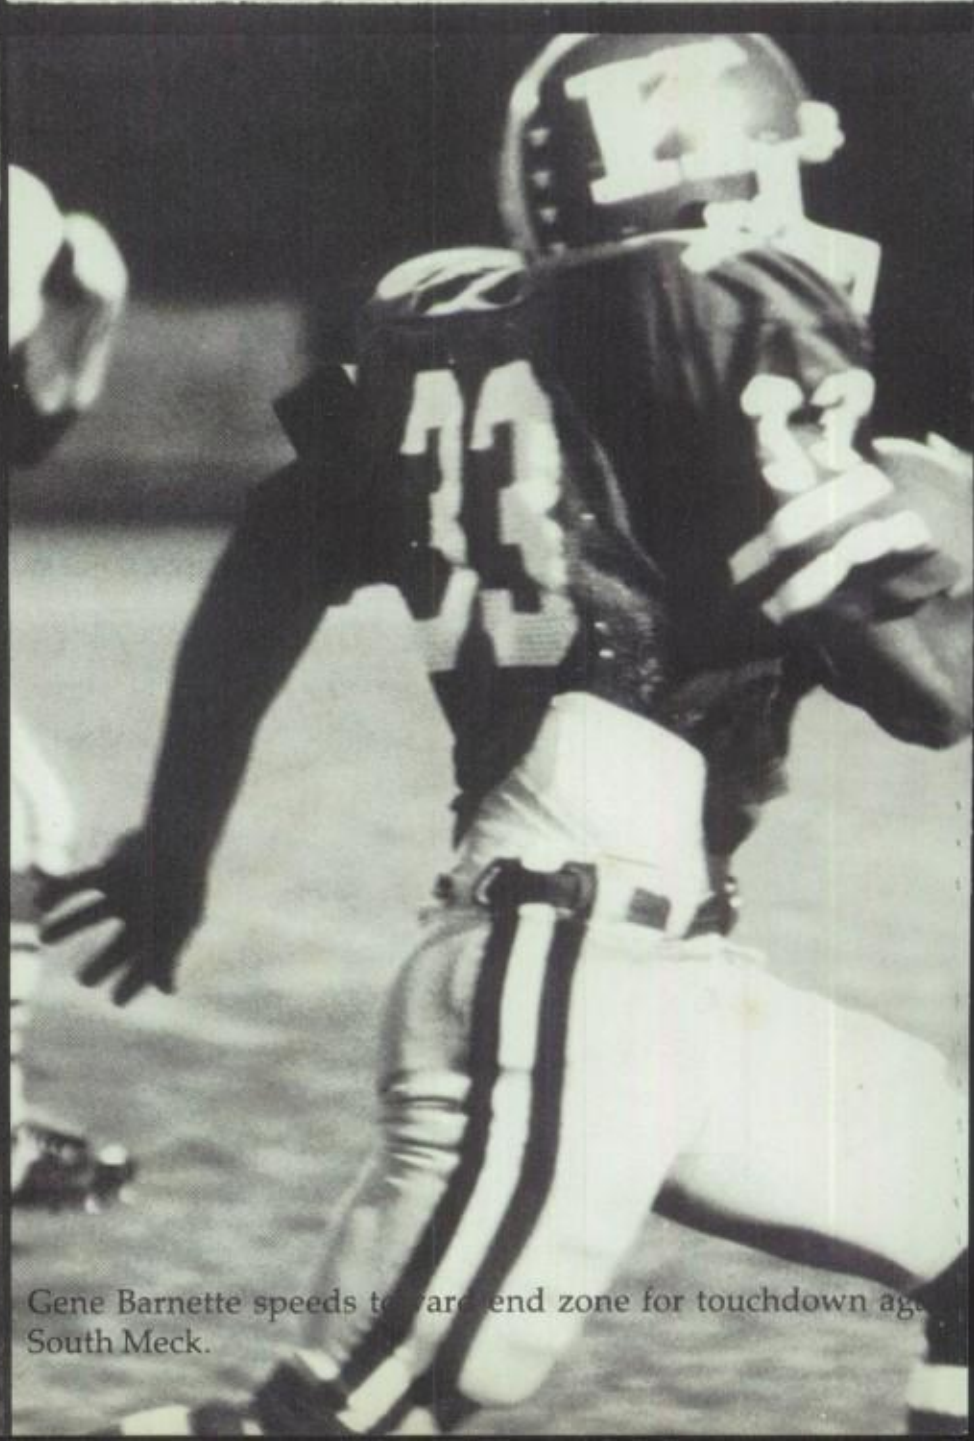
Edwin Norris strikes up the Band.

It was the first meeting of these two squads. This proved to be the explosive battle for the offense of the Wonders. Going into the locker room the Wonders only had 6 points, put on the board by Sophomore "grinder" Greg Bost. After the rest of 12:00 was up the Wonders retook the field only to explode for 29 points in the second half. A shiny turn around from two weeks prior.

Sun Valley was next on the hit list of the off and rolling Wonders. The first 14½ minutes of the game the Wonders had crossed the goal line 3 times. The mistakes then began to catch up to the Wonders; they were penalized 177 yards total for the entire game. Sun Valley then scored twice, but the Wonders held on to win the game by a margin of 21-12.

The traditional game against the Trojans of North West Cabarrus was a stellar performance for senior running back Gene Barnette, fleet footed, 150 pounder carried the ball only 17 times for a very impressive 216 yards. The defense unit was also flawless in performance only allowing 70 yards total offense compared to our 328 yards.

Mike Wilhelm feels the agony of defeat.



Gene Barnette speeds t[illegible]ard end zone for touchdown ag[illegible] South Meck.

Mark Smith alludes Bowman tacklers.

Another touch down!

It hurts to lose.

The game against Central Cabarrus may have been one of the better showing as the defense dominated. The score was 28-0. The special teams of the Wonders proved vital as the kick-off team scored on the first play from scrimmage. Gene Barnette took the ball at his own 12 and ran it back 88 yards for the score. The band was in Bristol, so they were not cheering for the Wonders.

The charges of Lexington were favorites with the likes of Albert McIntosh, but this did not discourage the Wonders, as they romped to a 27-0 victory over the Jackets. This helped the rankings of the Wonders, as they moved up to fifth spot in 3-A school in North Carolina.

Homecoming the Wadesboro Bearcats invade Memorial Stadium and the Wonders set a shut-out record with six in a row.

The Raiders of South Rowan proved to be the toughest squad faced in a new conference and a new 3-A status. The decision was 20-8, but the Wonders fought hard.

Concord! This was the last game of the year and the last chance for a spot in the state 3-A playoffs. The game was viewed by 10,000 or more people. It was by far the game with the most tension. The Spiders walked away with a 7-6 victory and the BELL, but the did not walk with Wonder Pride.

Coaching Staff B[illegible]ow: Bill Watts, Jay Vaughn, Pete Stone, and M[illegible] Lambeth. Front row: Bob Jacobs, Bill Wightman, Bob [illegible]ell, Ron Byerly, and Gerald Hefner.

Freshmen Football

The 1981 season for the newly acquired Freshman football squad was a very impressive and respectful team. Their first record as a part of Brown High's football department was 4-3. Head coach Jim Tedder seasoned his charges to get ready and become Wonders.

Blue Devil offense sets pace.

Terry Williams breaks loose for a long run against the Monroe Rebels.

Keith Maxwell gets ready for a run after a handoff.

JV Team

JV Football

The JV squad under the direction of coaches Ron Byerly and Gerald Hefner were untouchable on the gridiron. The only setback came at the hands of the South Mecklenburg Sabres. The entrance into the new conference did not bother the JV stars as they finished 9-0 in the conference and an overall record of 9-1-0. We hope to see the same promise next year.

A.L. Brown's Lady Wonders opened their season against South Meck and recorded a 60-48 victory.

They showed that cooperation and respect for their fellow team members is very important whether they win or lose. They continued a winning season led by Amy Privette, Cheryl Hall, Crystal Grier, Amy Wagoner and Pam Campbell, aided by the coaching and great talent from head coach Jim Tedder.

"I believe this team has the potential to go all the way this year if we continue to play up to our ability. Everyone on the team has a good attitude and contributes to the team effort we have had so far. Many people thought that the loss of 3 Senior starters would dampen our chances of a division title, but our quickness and determination has proved them wrong."

Amy Privette
Co-captain

I believe the key to our winning season has been the defense that we play. We don't worry about our offense because it will take care of itself. The team has a combination of all the three D's — determination, dedication, and the desire to win. Most people seem to think that we don't have any competition but that remains to be seen. No one knows what the future holds, but because the unselfishness of our team we will not merely endure but prevail.

. . . and now the starting line-up for the 1981-82 Wonder Varsity Basketball Team; five talented young men and head coach, Lex Graham.

The Wonders were led this year by seniors, Jay Efird and Scott Haynie and junior Mark Smith in a fast break attack. This style of play provided thrilling action for both the team and Wonder fans.

As the season progressed other standouts including Carl Nesbit and James Lipscomb contributed their talents as game-breakers in close games. The cheerleaders also provided game-breaking cheers and excitement as the Wonders squeezed out one victory after another. With a well-balanced squad of strong rebounding, quickness and excellent shooting, Wonder Basketball was great excitement on Tuesday and Friday nights.

Coach Donna Morris has guided her team to eleven straight wins when the ALBROKAN went to press and it looked as if t
Wonders were going to dominate the South Piedmont Conference and the Championship.
Coach Morris said "that the key to the success was balance!"

The boys junior varsity cagers had an exciting season with many ups and downs, through the effort of coach Bob Jacobs the Wonders pulled off many victories.

The team consisted of twelve young men with a desire to win and always practiced good sportsmanship bringing much pride to our school and community.

Wonder Volleyball Spikes The Net!

This year players were specialized to play a certain position. Tracy Haley, Mary Ann Sturgis, Ann Efird and Lisa Tucker were all very consistent players. From match statistics, there is a need to work on passing for next year.

The girl's volleyball team finished with a 5-3 record for the season. Coach Vicki Wilhelm considered this team one of the best she has ever coached. This year the six starters were about equal in skill level and combined for very consistent play action. The skill level of the players was really impressive, many of the players putting extra time into the sport. Several attended summer clinics and camps.

There were several exciting matches that came down to the fifth game of the match. The matches lost to Mooresville and Ledford were due to a mental lapse — just pure breaks in concentration. This sport moves so quickly until a mental mistake will beat a team.

There will be five starters returning next year, hopefully producing another fine season. Team members who made the Golden Spike Club were Tracy Haley, Ann Efird, Lisa Tucker, and Mary Ann Sturgis. All their statistics averaged out to 75% or better accuracy on serving, serves received, spike, and sets.

"This year's volleyball team has been one of the best A.L. Brown has ever had. Being on the team this year is the best year for me. I am the only Senior on the team, but it is wonderful to be working with the underclassmen. Our team shows that cooperation and respect for our fellow team members are very important. When considering whether we won or lost, it was the entire team's effort that counted."

Girls Net Club Hot

Brown High's girls tennis team divided its first two South Piedmont Conference starts as the charges of Coach Susan Winchester claimed a 5-4 victory over Central Cabarrus after suffering an 8-1 setback at the hands of Northwest Cabarrus.

The Lady Wonders knew the sweet taste of victory after dominating action to post a 9-0 victory of the Spartans of Sun Valley. They lost only one set during the competition as they bounced back from a shutout loss at the hands of Monroe.

The tennis team continued its big comeback in South Piedmont Conference action when they defeated East Rowan by 8-1. The win gave the girls of Coach Winchester a 3-2 record in the conference and set the stage for a match against Wadesboro Bowman. The girls rolled to a big 9-0 victory over Wadesboro Bowman. The Lady Wonders lost only one set during the activity and this came in the No. 2 doubles match.

The tennis team has had a good year with the exception of a few matches. The record this year was very much like last years 4-3, with losses against Northwest Cabarrus, Monroe, and Concord. The team was led by Ginger Cline, Amy Privette, and Susan Nunn. With the team's improvement, this will give them a good start next year.

Wrestling

Awesome! That's the word to describe the 1981-82 Wonder Wrestling squad. The statewide known Wonders were ranked in the state's top 20 and are well respected.

The Wonders once again made their appearance at the R.B. Sandiford International Tournament (Myers Park Tournament) placing second behind the Sabres of South Meck. A new scene to the Wonder team was the East Rowan Tournament, in which the Wonders triumphed tremendously by taking first place. The most valuable wrestler was Junior, Mike Tarlton.

The Wonder Wrestling team is also a new comer to the SPC; but, they fare with everyone else. The duel meet record that was outstanding for a new comer.

Wonder Baseball

Baseball is a unique sport in itself because baseball is a team sport. If one person doesn't give 100% then that makes the whole team look bad. I feel that if the whole team plays with intensity and enthusiasim then you are going to have a pretty good year. This is my last year and I sure would like to go out with a patch on my jacket and a smile on my face because I know we are #1.

Scott Baucom

I like to play alot of sports, but baseball is my favorite one. I've been playing baseball every since I was 7 years old. I enjoy playing baseball very much and I hope to get a scholarship in baseball. Baseball means alot to me because one of my goals is to one day be playing for a major league team.

Scott Haynie

I feel confident about this years team because the players have alot of potential to become a winning ball club. I think that we have five of the best pitchers in the state. With good pitching and the team playing together as one, we should be #1 in the S.P.C. and should go on to the state. All we ask from you is good support and in return we will do our best to bring home the S.P.C. title.

Brown High's harriers had much to brag about at the end of their season. They owned the South Piedmont championship after overpowering a pair of rivals in title action Thursday, October 15th, at East Rowan. Their record for the year was perfect, 12-0.

Reggie Littlejohn was the top finishing performer for Brown High in the Sectional Cross Country competition held in Charlotte, with the Towel City team finishing in sixth position in the 18-team field.

Coach Richard Prim's charges saw several of their ranks finish not only first, but second and third. Brian Ballard and Willis Allsion posted these constantly putting them in competition with Reggie Littlejohn.

Brown High's cross country team placed six runners in the top eleven finishers to post a big victory over East Rowan and Salisbury in their first competition of the campaign for Coach Prim. Coach Prim commented: "I thought the boys did a great job and their dedication of five weeks of extensive workouts paid rich dividends."

Reggis Littlejohn remained unbeaten for the cross country campaign, capturing all laurels possible in this sport. This was quite an accomplishment for a rookie.

Wonder Track

Zina Hair and Carla Fortson takes a rest.

The first few weeks of track are very hard, because you have to get in shape for the season ahead. It is a great sport and it takes alot of time to become the best, but it's worth the effort. It's not a sport to come out and laugh about although it does have its fun moments, there are also the hard ones. I think this years team could be the best Brown has had, we have the ability to become the best, if we work hard and put a lot of time into it.

Sixth Annual Football Banquet

Coach Bob Boswell and Coach Dick Crum, from the University of North Carolina, enjoy the banquet.

The sixth annual Brown High Football Banquet was held Friday, December 11, 1981 at W.J. Bullock Gymnasium. Dick Crum, coach of the UNC Tarheels was the speaker. He had many positive things to say about a former Wonder standout, Ethan Horton, and how he was making a big contribution to the Tarheel team.

Coach Crum challenged the Brown High athletes to put themselves on the right track because "you are the students at Brown High that everyone looks at." He pointed out that the average student could do something wrong and it would go unnoticed, but if it was an athlete, it went into the newspaper headlines or of the radio.

He pointed out "that the football players are the most visible group in this community." Everyone knows who you are, so it is up to you to set an example for everyone. You learn discipline on the football field and I am convinced that if you carry this off the field with you, it will be on the upmost importance. I challenge each of you to do your best at everything you do.

GIANT SALUTE BY VITALE FIREWORKS, SPONSORED BY CANNON MILLS COMPANY

Kannapolis, the home of Cannon Mills Company, celebrated its 75th birthday in October 1981 during Textile Week In North Carolina. The community-wide event highlighted a public-private partnership which continues to grow and flourish after three-quarters of a century. Kannapolis — a great community in the textile heartland of North Carolina. Cannon — the world's leading manufacturer and marketer of household textiles and other consumer products.

What you should know about diamonds:

COLEMANS

Jewelers
103
West

Color

Diamonds that are absolutely "white" or colorless are very rare and are valued accordingly. A colorless diamond, even if it contains slight imperfections is worth more than a diamond of average color. Every ArtCarved Diamond is guaranteed to meet traditionally high standards for fine color.

Cutting

A perfectly cut diamond will reflect all the light upwards for maximum brillance.

Every ArtCarved diamond is precision cut for brilliance whether its shape is round, oval, pear or marquise.

Carat Weight

Diamond size or weight is measured in carats. There are 100 points to a carat.

ArtCarved permanently engraves the exact diamond weight in points on the inside of each ring. It's yor assurance that you're getting exactly the diamond weight you're paying for.

"Seniors"

Our futures are in front of us as we slowly step across the stage,
So many memories of our yesterdays run through our minds in an endless rage.
The thought of leaving our friends some we may never see again,
To venture into a new life of dreams with some battles to win.
We'll always cherish the youthful memories of our unforgettable past,
As we endeavor to achieve our goals with a hope that will always last.

Hurley,
I've only known you about half the year. But its been great. You're a great friend whom I admire alot. If it hadn't been for your smiling face some mornings, I'd never of made it through the day. Stay sweet & cute and hope we have some classes together next year. Have a good summer.

Love Ya lots,

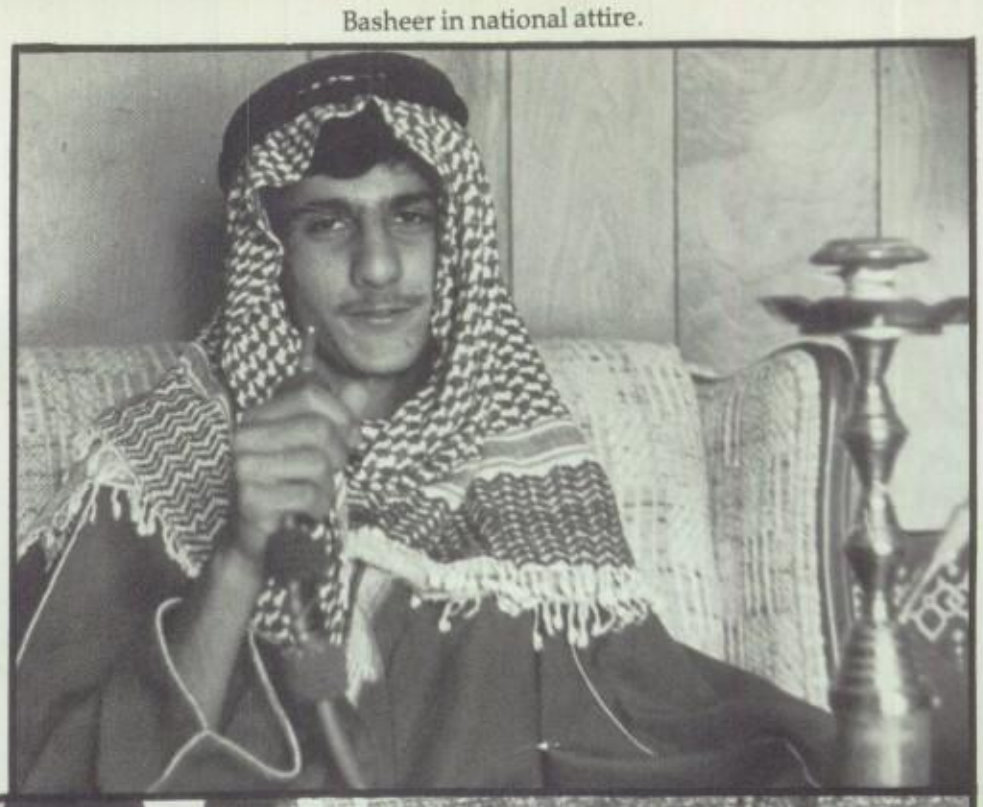
Basheer in national attire.



During this school year, we have had the pleasure of hosting Basheer Saqallah, from the Hashimate Kingdom of Jordan. He hails from the capital city of Amman, which has a population of over 750,000. Basheer had attended an all boys school, so coming to Brown was a major change in his life. He faced the challenge, coping with the many new foods, a different language, and daily living changes. We will always cherish our fond memories of Basheer and can only hope he will remember us as well.

75th ANNIVERSARY

Area choirs join for concert.

World's largest towel unvailed.

Saturday, October 24, marked the 75 anniversary of Kannapolis. In honor of the occasion Cannon Mills Company planned an all out celebration for the entire town. The events included: MONDAY — a special commemorative edition of the DAILY INDEPENDENT and a banquet at the YMCA; TUESDAY — midget football game, youth soccer clinic, and a fast pitch softball game; WEDNESDAY — area choirs join for a concert; THURSDAY — special music program in downtown; FRIDAY — Homecoming at A.L. Brown High School; SATURDAY — a bazaar downtown, a cake-cutting led by Governor Jim Hunt and Representative Bill Hefner, a pet show, antique car show, a 200 unit parade, an air show at the high school stadium, Cabarrus Jr. Miss Pageant, and a spectacular fireworks display sponsored by Cannon Mills.

Farewell to the Old . . .

Architect: M. McDivett, Cannon Mills

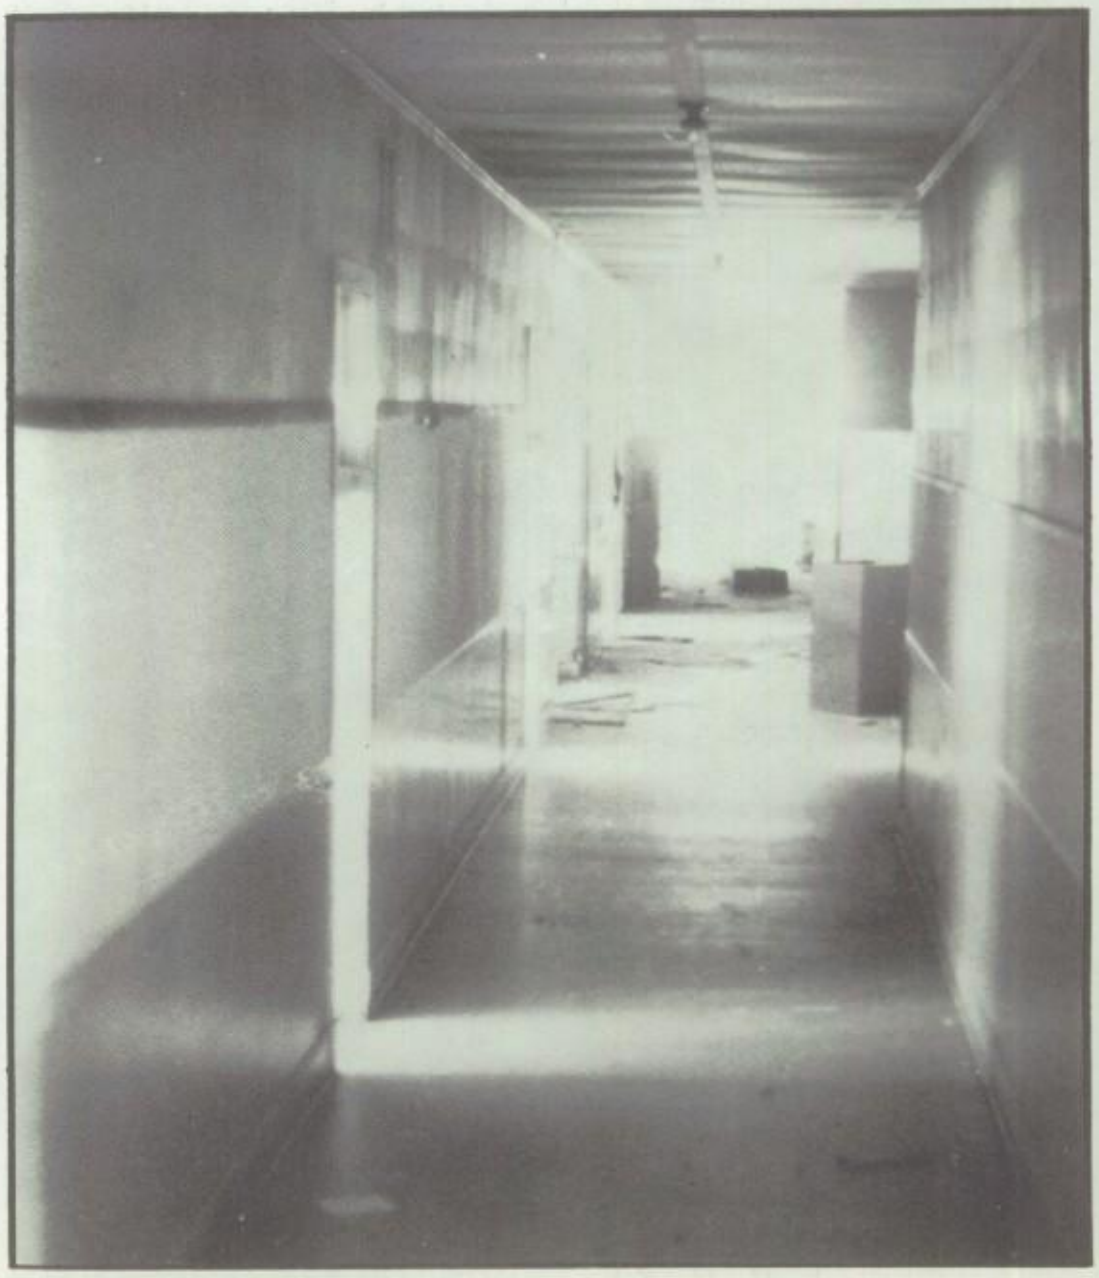
Cost: $10,000
Opening date: August, 1924
First Recorded Principal: H.B. Waters
First Superintendent: L.L. Smith, 1917-1918

In 1906, a man named J.W. Cannon founded a small town that specialized in the manufacturing of textile products. The town became known as Kannapolis. Over the years, Kannapolis grew in population. This created the necessity for an educational system.

In 1924, J.W. Cannon High School opened its doors. Until 1952, this school served as the mecca of high school education in Kannapolis. In 1952, A.L. Brown High School opened and changed the face of J.W. Cannon to a junior high school. It remained in this capacity until 1981 when a new middle school was constructed.



Kannapolis Middle School is an ultra-modern facility with many impressive features. The school has an open garden inside with small trees, benches, and walkways. It also has its own television station, W-KMS. Even though the school cost millions of dollars, the general public believes it has made a wise decision to build the new structure. Kannapolis Middle School should serve the community efficiently for many years more than its predecessor, J.W. Cannon Junior High School, which henceforth shall be merely an entry into the annals of the history of Kannapolis.

Nurley,
oh hell, boy another year has gone and we only have one more. But Nurley you need to settle down & you know- with... it has been great knowing you these last 2 years, and being in your classes. You are a damn crazy, t nice guy, for always listening to me & helping me with my problems. You have a lot when it comes to Rodney. @ Well I just think one more summer & I'll probably have a nice senior too. It took a year & a half to get here & I can't wait till its over. Thanks forever

hope ya'll

we're gonna be

of a long time for it

CANNON JHS
1924 ~ 1982

January 9, 1982 will always be remembered as the night of fire and ice. During the worst cold wave in recent history, one of the most respected landmarks in Kannapolis fell victim to suspected arson.

"There is a 99½ percent probability we may never know what caused the fire. There was just not enough left to give us any clues, "according to Emergency Service Director Ben Mabry.

Firemen did the best they could under the conditions they were against, but the fire was too strong and the temperature too cold to enable them to fight the fire effectively.

Whatever the case, Kannapolis has lost a true landmark that has provided historical events since 1924. The loss of Cannon has marked the end of an era.

THE END OF AN ERA

This is but all our efforts. We hope you enjoy it. 1982 Edition of the ALBROKAN.

Edwin L. Norris

1982 The Year . . .

Todd L Greer "82"

1982 was indeed a year that few will forget. It left a lasting impression on most all of our lives. It was another year of progress for our school and community, especially for the Kannapolis City School system, with the addition of the Middle School. For the first time freshmen could call Brown home, since the seventh and eighth graders had a new school of their own. The lowest point of the year came one cold night when a beloved landmark, J.W. Cannon Junior High School, was destroyed by flames. All that now remains are the memories of the good times that were experienced there.

October 24, 1981 marked the 75th Anniversary of Kannapolis, which was accompanied by a week long celebration, sponsored by Cannon Mills, which was a great boost toward encouraging pride and community awareness.

The most controversial event for the year was the sale of Cannon Mills Company to the Los Angeles' based Pacific Holding Company, that came as a shock to all. Although inflation has been high and the economic picture has appeared bleak, the people of Kannapolis still exhibit a quality of endurance that makes my town, a great place to call home.

Changing of The Guard

(A Senior Concept)

Dramatis Personae

Mark Mullinax: omnipotent guardian of the spirit.

Brad Humann: unassuming heir of the spirit

Scene: A.L. Brown Courtyard

Senior: How's it goin'?
Freshman: Huh?
S: Are you OK?
F: Huh? Oh, yeah. Can you tell me where the fourth floor is?
S: Look kid, if you're going to hold the reins of this school you've got to stand up.
F: I am!
S: You've got to let people know who you are and where you're going.
F: But I don't even know where the fourth floor is.
S: Look kid, that's not my point. The point is that since you'll still be here next year, you've gotta uphold the Wonder reputation of excellence!
F: I don't understand.
S: Look man, you're in charge of the green and white.
F: The only thing green here is the food.
S: That's not funny. School spirit and dignity are serious business. If ya'll would let us know that you really wanna be a part of us, we wouldn't stuff ya' into lockers. You've gotta act like a Wonder; be cool.
F: Yeah, just like you guys were gonna walkout and be big and tuff!
S: I wish you'd grow up!
F: That's just like you guys. You were supposed to assist us in adapting to a more complex environment due to an educational transformation decided upon by the school administration.
S: Huh?

Hurley, Hurley!
If you ain't a trip I don't know what one is.
You've made a big difference in my 5th period class.
If it wasn't for you sometimes I don't know how it could of made it through a day.
Any time I was down you could always make me smile. If I needed someone to cheer me up I could depend on you. You've made Spanish class worth taking. Even though you can be a pain. I've really enjoyed having you as a friend.
I hope we can continue to be the close friends that we are. But in the future, don't be so fast. (Smile) Just kiddin'. Stay Sweet, Hurley, and always Be yourself.
